PROFESSIONAL SUMMARY

Senior SAP Concur Configuration & Business Process Consultant with over 10 years of experience in enterprise consulting, configuring, and implementing the Concur Expense module. Proven track record serving as a trusted advisor to senior executives, driving end-to-end data integrations, optimizing workflow architectures, and aligning strategic transformation initiatives with SAP's solution roadmap.

PROFESSIONAL EXPERIENCE

Senior Business Process Consultant — **SAP CONCUR** **09/2019 – Present | Prague**

- Served as a trusted advisor to senior executive management, aligning strategic transformation initiatives with SAP's enterprise solution roadmap.
- Functioned as a Subject Matter Expert (SME) in SAP Concur data integration, leading end-to-end implementation projects and advising global clients on system best practices.
- Led end-to-end data integration initiatives from initial stakeholder engagement through configuration, testing, go-live, and post-go-live support adhering strictly to SAP Concur's project methodology.

Configuration Services Consultant — **SAP CONCUR** **06/2012 – 06/2019 | Prague**

- Delivered fully configured SAP Concur systems aligned with complex client business requirements across regional enterprise accounts.
- Liaised directly between corporate clients and cross-functional internal technical teams to guarantee timely and successful project deliveries.
- Configured custom workflow rules, audit rules, user permissions, and third-party integrations (HRMS, corporate credit cards, banking interfaces).

EMEA Premier Quote Support Analyst — **ORACLE** **01/2011 – 12/2012 | Prague**

- Prepared and booked first-year Service Support Quotes for enterprise hardware and software assets across the EMEA region.
- Validated contract compliance, pricing structures, and service-level agreements (SLAs) for enterprise client renewals.

IT Analyst — **COMPUTER SCIENCE CORPORATION (CSC)** **01/2009 – 12/2011 | Prague**

- Provided inbound application and functional Tier-2/Tier-3 support for enterprise company applications via web, ticketing system, and direct phone.
- Diagnosed system issues, managed user escalations, and maintained strict SLA response targets.

Customer Support Agent — **ICON COMMUNICATIONS** **01/2008 – 12/2009 | Prague**

- Generated business development opportunities and provided client assistance across international market accounts.
