4
Global regions served
EMEA, APAC, LATAM and North America

MY TIME AT SAP CONCUR

2013 2014 2015 2016 2017 2018 2019 2020 2021 2022 2023 2024 2025 2026

Configuration Services Consultant
June 2012 – June 2019

Senior Business Process Consultant
September 2019 – present

4,732 engagements & projects — Jun 2012 – Dec 2018

2,248 engagements & projects — Jan 2019 – Oct 2026

Configuration Services Consultant
June 2012 – June 2019

- Delivered fully configured SAP Concur Expense solutions tailored to the complex requirements of regional enterprise clients.
- Configured approval workflows, audit rules, user permissions and integrations with HRMS, corporate card and banking systems.
- Acted as the link between clients and internal technical teams to keep every implementation on schedule.

Senior Business Process Consultant
September 2019 – present

- Subject matter expert in SAP Concur data integration for global enterprise clients.
- Lead end-to-end implementations, from stakeholder engagement to post-go-live support, and advise clients on best practice.
- Trusted advisor to senior executives, aligning transformation initiatives with SAP's solution roadmap.

HOW I DELIVER

01 Stakeholder engagement
02 Configuration
03 Testing
04 Go-live
05 Post-go-live support

End-to-end ownership of data integration projects, following SAP Concur's project methodology.

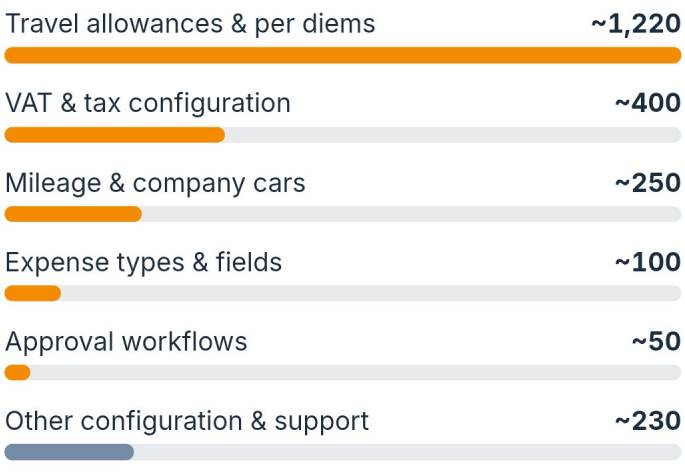

WHAT THE ENGAGEMENTS & PROJECTS WERE ABOUT
